

[FREE SEMINAR]

Lipidomics Seminar

Waters
THE SCIENCE OF
WHAT'S POSSIBLE.™

Thursday, August 16, 2018

Bond Life Sciences Center

Room 572

1201 Rollins Street

Columbia, MO 65201

Seminar: 11:30am - 1:00pm

***Lunch will be included**

This lipidomics seminar will provide a general overview on the types of approaches and chromatography for lipidomics. The seminar will include LC-MS applications for lipidomics, including for the analysis of sphingolipids.

Registration is required and can be done online at www.waters.com/LipidomicsSem2018

For additional information or questions regarding the seminar please contact Marguerite_Arechederra@waters.com.
